Rotary District 7490

Cynthia Randina

District Governor 2025-2026

Cindy is deeply committed to her family, friends, and Rotary community, with extensive experience in education and Rotary leadership roles preparing her for her role as District Governor. She focuses on membership growth, youth engagement, and community service initiatives, promoting collaboration among clubs, and fostering leadership development within clubs. Cindy has been President of the Rotary Club of Secaucus, Assistant Governor, and held various district roles. She led youth programs and community service projects, including providing laptops to students, supporting food banks and veterans, and assisting moms and babies in need. Her career includes roles from K-12 teacher to Principal in N.Y.C, leading to District Superintendent in New Jersey, and is currently working as an educational consultant and mentor. She has been a strong advocate for youth initiative, and has led multiple community service projects, such as distributing laptops to students, supporting food banks and veterans, providing essential resources for mothers and infants in need, and most recently focusing on building awareness and prevention of human trafficking
